

How Can You Take Part?

To better administer the CDBG and HOME funds, and to establish a responsible relationship with the citizens of Lafayette, the Community & Redevelopment Department follows a consistent annual schedule.

Every year there are public hearings to collect citizen input on how to assess community needs identified in the five-year plan and to receive proposals for funding programs aimed at responding to those needs.

- February** — Solicit Input and Proposals for Funding
- March** — Draft an Action Plan and Recommendations for Funding
- April** — Solicit Comments From the Public
- May** — Receive Program Approval by the City Council
- June** — Receive Program Approval by HUD
- July** — Start the Program Year

For more information on the Community Development Block Grant Program, contact the Community & Redevelopment Department for the City of Lafayette:
